OBJECTIVE

Dedicated and reliable Delivery Driver with over 6 years of experience in logistics and package delivery, seeking a position with Amazon Delivery Service Partner (DSP) in Scranton, PA. Aiming to build upon my proven track record of delivering packages quickly and accurately to enhance customer satisfaction and contribute to company success.

PROFESSIONAL EXPERIENCE

UNITED PARCEL SERVICE – Scranton, PA

Delivery Driver, September 20XX – Present

- Manage daily deliveries, successfully handling 150–200 packages per day across various neighborhoods
- Ensure the security and timely delivery of packages, achieving a customer satisfaction rate of over 98%
- Adhere to strictly vehicle safety standards and maintenance protocols
- Contribute to a 7-member team, consistently recognized for excellent team collaboration and support

FedEx Ground – Scranton, PA

Courier Driver, June 20XX – August 20XX

- Delivered an average of 120–150 packages daily, navigating through various routes and weather conditions
- Safely moved items weighing up to 70 lbs, utilizing material handling equipment to reduce the risk of injury
- Participated in routine training sessions for safety and performance enhancements
- Played a key role in peak season delivery strategies, which led to a 15% increase in on-time deliveries

EDUCATION

Lyndon B. Johnson College – Scranton, PA

Associate of Science in Business Logistics

May 20XX
